General Information

PLEASE NOTE*

**Class start dates are subject to change or cancelation if minimum enrollment is not met.*

Our website www.gnbvti.org will have the most UP-TO-DATE class information

Registration Information

- Students may register online through www.gnbvti.org and pay with a credit or debit card.
- Registration is open to all, regardless of where they reside.
- Classes operate on a Trimester Schedule. Times vary.

Reimbursement Policy

- Tuition will be returned if it is impossible to conduct a course or if the student decides to drop out of a planned course at least 48 hours before it begins. We conduct classes based on registration; less than 48-hour notice is necessary to notify our instructors of a cancellation.
- Qualified individuals with disabilities seeking reasonable accommodations are requested to contact the Director at the time of registration.
- Students must be 18 or older and not currently a high school student to take a course or be in the classroom during instruction.

General Information

- There is absolutely NO SMOKING / VAPING anywhere on campus.
- Parking is allowed in the main parking lots or designated shop areas. Police are notified of illegally parked vehicles.
- When GNB Voc-Tech day school has been cancelled for inclement weather, evening school classes are cancelled. For inclement weather cancellations, check the website www.gnbvti.org.
- Make-up classes will be at the discretion of the instructor.
- Only the Technical Institute students are allowed in the building during scheduled class instruction.
- Instructor names on courses are subject to change.
- Due to scheduling constraints, make-up classes and specific class dates may be scheduled to a different evening at the discretion of the Instructor. Days missed due to inclement weather will be made up whenever possible.

Industrial/ Municipal Wastewater

Industrial/Municipal Wastewater Training

IWT-01

Tuesdays

5:30 - 8:30 pm

12 Weeks

September 10 - November 12, 2024

**STARTS
9/10/24**

Instructor: Vinny Furtado

This twelve week course is structured to be a preparatory class to successfully pass an introductory to intermediate State competency exam in order to be licensed and work in the wastewater field.

Please be aware that this course is also a State of Massachusetts approved class for obtaining Training Contact Hours where you may obtain as many hours as you need to satisfy State requirements.

The course will introduce the student to the physical and chemical processes associated with water quality, pollution, and treatment of liquid wastes, as they pertain to Municipal and Industrial Operations. The student will be exposed to the function of related equipment and support systems and the environmental responsibilities required to safely and properly operate and maintain a Wastewater Treatment Facility. Topics covered include municipal wastewater treatment processes, industrial wastewater treatment processes, collection systems, regulations, laboratory and math.

Price: \$400.00 or \$40 per night (3 TCHs)

(Registration for Total Contact Hours must register in office or by phone.)

Fine Woodworking & Refinishing

FW-01

Thursdays

September 12 - October 31, 2024

8 Weeks

6:30 - 9:30 pm

This combination of fine woodworking and furniture refinishing course has it all. Whether you have a piece of furniture that needs a facelift or you would like to create a new turn-of-the-century piece, this course is for you.

For furniture refinishing the students are responsible for all materials, solvents, and finishes. Reconstruction is held to a minimum. Fine woodworking includes complete step-by-step instruction in creating a one-of-a-kind piece such as a Queen Anne step stool and a true hand-cut dovetail blanket chest, using typical hand tools and modern machine techniques.
